Subject:	RE: DB Migration Scripts to Prod for UNITRAC.
Attachments:	20220506_CDW_C2P_Unitrac_DBA_Script.sql; 20220506_STG_C2P_Unitrac_DBA_Script.sql

Rashid,

Attached are updated DBA scripts. Please use these scripts to migrate to prod for UNITRAC.

Thank You,
Sudheer Kumpati

Subject: RE: DB Migration Scripts to Prod for UNITRAC.

DBA always ask for this.

Could you give us a reason or justification of why this script is being executed?
Once the script has been ran what are the results you expect to see once it is completed?
Any testing done on this and if so were there any hurdles ?
Backout plans are there any that you have for these scripts?
How long should a script take to run? Additionally how many rows should be expected?

Regards!
